

SOIL PRIORITIES WORKSHOP

Friday, April 13 - Henty Library (30 Sladen St) - 10am-12noon

FarmLink, Holbrook Landcare Network and Riverine Plains invite *you* to tell us *your* soil priorities and issues so we can carry out research which is meaningful to *our local farmers*. The workshop will form part of a Scoping Study to identify and prioritise regional soil constraints, under a Soil CRC for High Performance Soils project.

The Soil CRC (Cooperative Research Centre) is a collaboration of farmers, industry and scientists working together to find practical solutions for Australia's underperforming soils and forms the largest collaborative soil research effort in Australia's history

RSVP farmlink@farmlink.com.au or 6980 1333, by Wednesday, April 11
