

# 6 Days - 12 Locations

Sunday 24 February - Friday 1 March 2019

## JOIN US: Rural health check-in

Many of our community's farmers are facing some of the driest conditions in Australia's history.

To provide an opportunity for our farming community to share experiences and discuss ways to build on our inherent resilience, together we, are sponsoring an **information forum** that aims to provide practical insights to support you in preparing for the future.

## Meet the Speakers

### Dennis Hoiberg

Lessons Learnt Consulting Key Note Speaker

Dennis is an organisational consultant with more than 30 years' experience working with individuals and teams to achieve personal satisfaction, excellence and high performance. He is a highly sought-after public speaker on the subject of emotional well-being and resilience.

### Gerard O'Brien

Director, RSM Australia

As a Chartered Accountant and Director of a national accounting firm - RSM Australia, Gerard has had over 25 years of business and personal farming experience, he has a comprehensive understanding of the rural and local issues faced by farmers in what is an unprecedented drought event in NSW and beyond.

### Alister Bennett

NSW State Agribusiness Manager, ANZ

Alister has over 30 years experience working as a Banker within the agribusiness sector across Australia and New Zealand. Experience extends from dealing directly with farmers and Agri communities through to developing banking products and services.
