GRDC Northern Pulse Check project seeks to support and develop strong profitable pulse production systems across the GRDC Northern Region. It seeks to engage with grower, researcher, and industry stakeholders to encourage greater sharing of information, through a range of pulse related extension and communications activities.

Event is free and all are welcome. Lunch provided. For more information or to register your interest please contact Northern Pulse Facilitator, Kate Coffey kate@riverineplains.org.au; 03 5744 1713
