

# Sykesy's Buraja Meeting

When : Thursday 4 February 2021

8:30am sharp – 12:50pm

Where: Buraja Recreational Ground Hall

Buraja (Lowesdale) is approximately 15km north of Corowa on the Riverina Highway

The meeting will be followed by a complimentary BBQ lunch.

*The 2021 Buraja Meeting continues Sykesy's tradition by providing a forum for farmers to discuss the harvest that was, lessons learned and the challenges for the season ahead.*

## Program

- 8:30am:** Welcome – *Catherine Marriott, CEO Riverine Plains*
- 8:35am:** Post harvest debrief and thinking about the year to come – *Chris Minehan, RMS Consulting*
- 9:20am** Hyper Yielding Crops Project – are there learnings for zones outside of the high rainfall zone? – *Nick Poole, FAR Australia*
- 9:50am** Pulse Update: what did we learn in 2020? – *Mark Richards, NSW DPI*
- 10:10am** How can I really capitalise on canola in good seasons? Lessons learned from 2020 Hyper Yielding Crops research – *Rohan Brill, BrillAg*
- 10:35am** Adding value to weather stations and soil moisture probes across the Federation Council – *Jane McInnes, Riverine Plains*
- 10:40am** Break
