

# Fodder for the Future

## Securing a reliable fodder source for your dairy enterprise

Riverine Plains are hosting a workshop for dairy farmers interested in securing a reliable fodder source and having input into the quality of fodder produced by their suppliers.

The workshop is part of a series supported by Murray Dairy, which aims to help grain and dairy farmers connect as buyers and sellers of high quality fodder and create linkages to improve the supply, availability and reliability of locally-produced fodder.

## Fodder Purchaser Workshop

**When:** Thursday 2 December, 10:15am-1pm

**Where:** Shamrock Hotel, Numurkah (5-13 Melville St, Numurkah).

[\*\*Register Now\*\*](#)

The workshop will cover;

- How to secure a reliable fodder source.
- The potential benefits and barriers to establishing a direct, long-term link with a fodder producer (benefits, risks and things to look out for)
- Maintaining the seller/buyer relationship long-term
- Having input into the quality of fodder produced by your suppliers.

Additional workshops (for both fodder buyers and sellers) are also planned for late January/early February 2022.

To register for the Fodder Purchaser Workshop, please visit <https://riverineplains.org.au/securing-a-reliable-fodder-source-for-your-dairy-enterprise/> by Wednesday 1 December or phone Riverine Plains on (03) 5744 1713. Morning tea and lunch provided.

Please note that this is a COVID-safe event. Participants will be required to check in and follow any Victorian State Government regulations that are applicable at the time of the event.
