Regional Renewal

This project is supported by FRRR, through funding from the Australian Government's Future Drought Fund.

STUBBLE MANAGEMENT DEMONSTRATIONS FIELD WALK

Maintaining stubbles, healthy soils and addressing soil issues helps the soil retain moisture in drier years.

Demonstration paddocks: Dean Leslie, Paul and Mel Brown

Deep nitrogen testing: Dr Cassandra Schefe, CSI

Stubble retention: Kate Coffey, Riverine Plains Inc.

Liming acid soils: Lee Menhenett, Incitec Pivot

Drought preparation: Facilitated discussion

TUESDAY 7TH JUNE

9.00am-1.30pm
Lunch included

9.00am Pogue Rd, Toolamba
-36.471614,145.336331
